Dear Diary,

Today wasn't my day. It was raining when I got up, so I didn't take a walk with my dog. Ruby was bored, so she ran around the house and ate the sofa! The cotton inside was all over the living room. When my mom was ready to go to work, she asked me to clean the living room. When I was cleaning the living room, my father asked me to be a helper in the kitchen. I had no choice but to say yes. After that, I started to prepare for the big test on Monday. At that time, I heard a loud noise and then I ran quickly to check it out. It was little Rosy. She fell from the chair, got hurt and started crying out loud. Her knees hurt a lot. Dad and I had to take her to the hospital right away. Thank God. Rosy wasn't badly hurt. After the doctor treated her wound, we went home by bus. What a day! Then Mom got home and saw me watch TV. She said, "If you are not doing anything now, go clean up the bathroom."
