Our planet is having problems and needs help. It is believed we are using up oil in the next fifty years. As its price keeps going up, life has become more difficult for everyone. Luckily, one of the richest people on the planet is trying to change that.

Mill Gates has donated millions of dollars to help make the world a better place. Finding a cleaner source of energy is the first thing on his list. He says it must last a long time and can't be expensive. However, he's not sure if something can be found soon.

Next, Gates is working on helping people in poorer countries clean drinking water. It is not easily found, and it often comes at a high price. Besides, the water is always collected by women and girls. They may stand in line and wait for water, they may walk long distances to collect water, and they may spend up to six hours a day collecting water for their families. Gates also wants people to know how hard it is for them.

Finally, getting children and adults a good education is very important to Gates. He thinks that education is what everyone should be given to lead a successful life. He believes that happy people comes a happy world.

Billy hasn't been home in nearly half a year. All the people in his family really miss him, so they decided to record a video with messages from each of them. Below is the video.

Guess what, Daddy?
Grandpa gave me a gun for my birthday. It looks just like yours. Doesn't it? Mom said that it was OK for me to have it because I've been a good boy. I told you I could, didn't I? Please come back soon, Daddy!

Hi, Daddy! I miss you a lot and wish you were here with us. You will be home from the war soon, won't you? I want you to know that I tried out for the school softball team and made it like you said I would. Now, I just need you around to help me with my swing.

Hi, honey. We're all doing really well, so there's nothing for you to worry about. We just want you to be safe and come back in one piece. Love you!

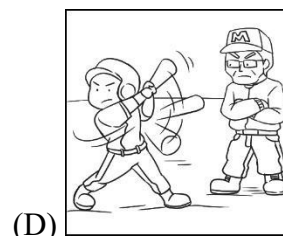

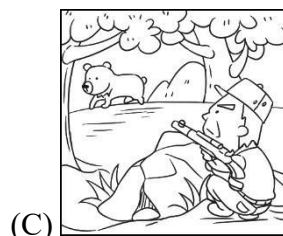

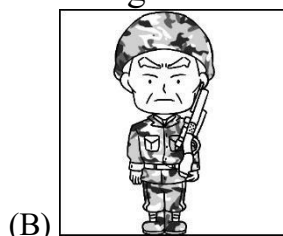

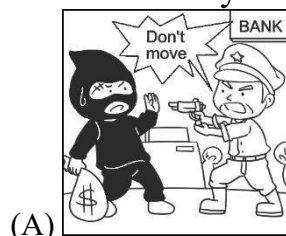

It's been too long, my Little Hero. I guess I should call you my Big Hero now, shouldn't I? You are doing your country a great service, and I've never been prouder. You do know that, don't you?

Customer Service AI: Hello, how may I help you?

Ted: Hi, I have tried to buy movie tickets on the app for almost 30 minutes.

Customer Service AI: I'm sorry to hear that. First of all, have you decided what to see?

Ted: Yes, I would like to buy four tickets to Superman VS. Captain America.

Customer Service AI: Great choice! So on the next page, you should choose where you would like to sit.

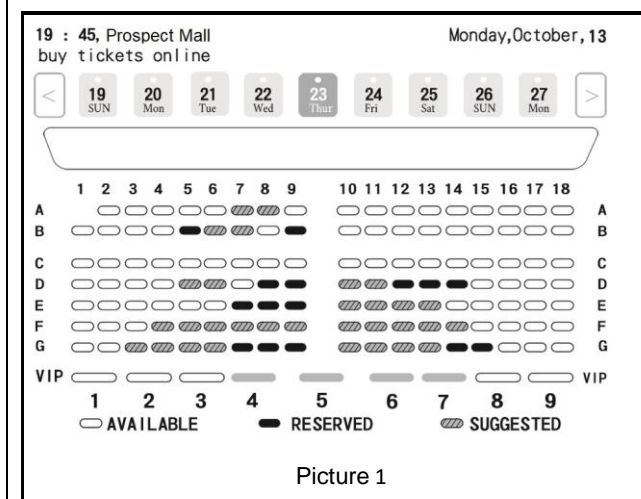

Ted: See, here comes my problem. I'm not allowed to go to the next page even though I have picked my seats.

Customer Service AI: I see that you chose the "couches" in the back. Those are actually reserved for VIPs only. That could be the reason why you are having problems.

Ted: I didn't notice that. So if I choose other seats, I should be able to continue, right?

Customer Service AI: I believe so. After you pick your seats, you should be brought to the page where you can decide how you want to pay for the tickets.

Ted: Alright! Now I'm on the next page. Thanks!
