Dear Mom and Dad,

How are you doing at home? This is my third week at Greenlake. It's a nice city. I like my college. It's old but beautiful, and it's near a lake. I'm having a great time studying here. My teachers are nice to me. I like sports engineering very much. It's my favorite subject. The teacher, Ms. Chiu, is great. My physiology teacher, Mr. Lee, is a good teacher, too. Who says physiology class can't be fun?

My classmates are nice, too. Lucas helps me with the chemistry homework. He is very good at chemistry. Ben and Sam like baseball, and I do, too. We play baseball and go to baseball games together.

I miss you very much. Don't worry about me. I love my new life here.

Love you,

Dora
