Thank you for being with us this morning. I'm David Anderson. We have breaking news from the PSTV newsroom. Our reporter Cathy Liu is reporting live at the scene.

Thanks David. We are here on Zhongxiao Road, Chiayi City. Traffic is always heavy on this road from 7 a.m. to 9 a.m. on weekdays. A woman was hurrying to work, so she travelled at speed on the road. When the police officer saw the woman, he waved his arms and stopped her. Because she was driving very fast then, she couldn't stop her car. She just hit the police officer. Then, two cooks ran out of their shops and sent the police officer to the hospital. And the woman is at the police station now. Back to you, David.

Thank you, Cathy. We will keep watching this story. OK, let's go on next news...
