Man: Well, I just want to enjoy the moment a little longer. I still can't believe we did it. It's been too long since last time we won.  
Woman: That's true. When I saw you hit a home run, I was so surprised and excited.  
Question: What was Raymond doing about an hour ago?
12. CD: Man: You don't look good. Are you all right?  
Woman: Not really. I've gotten a new student in my class. He is giving me headaches.  
Man: What does he do?

Question: What is true about the woman's new student?

Question: How tall is the girl?
14. CD: Girl: Seasons change. Flowers grow. So does the girl.... Hmm. It's a nice poem.

Boy: Give me that. How could you take my things without asking me?  
 Girl: I saw the card. I just picked it up. So, you wrote the poem, didn't you?  
 Question: What did the girl do?

15. CD: Woman: Honey, haven't you found them yet?  
 Man: No, I only see lots of markers and envelopes in the drawer. Are you sure you put them here?

 Man: OK. I've got the stamps. Now where is the glue?
